PROFESSIONAL SUMMARY

Dynamic cybersecurity leader with 10+ years of progressive experience in designing, implementing, and managing security controls, incident response operations, and regulatory compliance programs. Proven track record in vulnerability management, SIEM deployment, and threat mitigation. Adept at integrating security into infrastructures and aligning security architecture with standards such as SAMA CSF and NCA ECC. Recognized for delivering resilient security solutions, leading cross-functional teams, and reducing organizational risk across diverse environments.

CORE COMPETENCIES

Cybersecurity Leadership & Governance
Incident Detection & Response
Security Architecture & Implementation
Vulnerability Management & Threat Mitigation
Network Security, Firewalls & Access Controls
Compliance (SAMA CSF, NCA ECC)
Patch Management & Hardening Strategies
Security Awareness Training Programs

CERTIFICATIONS

Insurance Foundation Certificate (IFCE)
The Financial Academy, Aug 2025

GRC Professional (GRCP)
OCEG & GRC Certify, Mar 2025

Business Analytics Nanodegree (BAND)
Udacity, May 2019

TRAINING & COURSES

CCNA 200-301, Abadnet Institute for Training
PMI-RMP, Project Champions Academy
PMI-PMP, Project Champions Academy

PROFESSIONAL EXPERIENCE

Arabia Insurance Cooperative Company

Cybersecurity Senior Specialist, Jul 2025 – Present

- Manage SIEM platforms, firewalls, and endpoint protection tools to monitor, detect, and respond to advanced threats.
- Conduct vulnerability assessments, risk analyses, and system audits and coordinate patch management and remediation.
- Align security policies and controls with SAMA CSF, and NCA ECC frameworks and prepare documentation for audits and regulatory reviews.
- Collaborate with network, and infrastructure teams to embed security in system design and deployment lifecycles.
- Provide training and awareness sessions on cybersecurity best practices and emerging threats.

Mutakamela Insurance Company (formerly Allianz Saudi Fransi)

Cybersecurity Supervisor, Jul 2024 – Jul 2025

- Served as Interim Cybersecurity and Data Management Manager, leading strategic initiatives and ensuring operational continuity during a leadership transition.
- Oversaw adoption of Cybersecurity & Data Management frameworks and regulatory standards, ensuring compliance and strengthening organizational security posture.
- Managed incident response lifecycle and developed remediation strategies to reduce vulnerabilities and operational risks.
- Led risk assessment initiatives and produced technical documentation and audit evidence for regulatory reviews.
- Delivered cybersecurity awareness programs and executive-level risk briefings.

Network and Security Engineer, Jan 2022 – Jun 2024

- Designed, implemented, and maintained secure LAN/WAN architectures, integrating firewalls, VPN, and NAC solutions.
- Supported vulnerability scanning and remediation efforts.
- Conducted network performance monitoring and proactively mitigated threats through continuous improvement of security infrastructure.
- Prepared security documentation for infrastructure-related onboarding processes, ensuring compliance with standards and requirements.

Senior IT Support, Jan 2017 – Jan 2022

- Managed endpoint security, patch deployment, and system hardening initiatives.
- Participated in network and security projects, providing technical expertise and incident resolution support.

IT Support, Oct 2014 – Dec 2016

- Delivered technical support and administered WSUS and Symantec Endpoint Protection, ensuring secure and compliant system environments.

EDUCATION

Bachelor in Project Management
Midocean University, Sep 2024

Diploma in Computer and Information Technology
Jubail Industrial College, Jun 2014
